## ***It's Your Business Bursaries – January 2022***

### **Key information:**

#### **What are bursaries?**

For the 2022 edition of *It's Your Business* we are thrilled to have the support of The Photography Show & The Video Show, who will be fully or partially funding a number of places on the course. We will distribute this funding amongst those eligible for a bursary place as fairly as possible, depending on the circumstances of all applicants.

We are aware that the full cost of £190 for *It's Your Business* may be a significant financial commitment for those who are on low income or experiencing financial difficulties, and are delighted to be able to offer these free or discounted places.

Bursary places are awarded either in the form of a free place, or a reduced price to attend the course at between a 40 – 70% discount on the full price of £190.

#### **Who is eligible for a bursary?**

To be considered for a bursary, applicants must live in a household of more than one person with annual income less than £28,000, or have an individual annual income less than £22,000.

If selected, we expect bursary applicants to attend live on Zoom, or watch recordings, of at least 75% of the course. There will be no refunds available for days missed.

We will also ask bursary participants to be available to give short feedback about their progression through the course in the form of a blog or reflective summary. This will be used as a tool for evaluation and documentation, and we may ask for excerpts to be published as a testimonial on our website.
