Lightbox 2017-18 Application Form

All applicants need to complete this form. Alternatively copy the text into a new document using .doc, .docx or .rtf format.

This application form is used to give us a better understanding of your work, and your suitability for the Lightbox programme. Whilst we try to take as many applicants onto the course as we are able to, it is important that applicants are the right fit, in order to make the collaborative experience as beneficial as possible.

We are less concerned with the length of any professional experience; we are looking for applicants with a strong drive and work ethic; who understand the value of collaboration; and who are already producing strong work with a commitment to developing their practice further.

If you have any questions about the form, or about your suitability for the course, please email **lightbox@redeye.org.uk** and we will get back to you as soon as possible.

Good luck!
