Lightbox Online Bursaries

Key information:

What are bursaries?

We are aware that the full cost of £500 for the Lightbox Online programme may be a significant financial commitment for those who are on low income or experiencing financial difficulties.

We are committed to ensuring as many photographers as possible who are eligible for the Lightbox programme have the opportunity to apply and therefore have created a number of bursary places for those who are unable to afford the full cost. These bursary places will be subsidised with our funding from Arts Council England.

Bursary places are awarded in the form of a reduced price to attend the course at the price of £150 or £300.

Please note we are unable to offer additional financial support for the cost of equipment or other expenses.

Who is eligible for a bursary?

To be considered for a bursary, applicants must:

- **Be a full UK resident**
- **Live in a household of more than one person with annual income less than £28,000, or have an individual annual income less than £22,000**

If selected, we expect bursary applicants to attend at least 75% of the course. There will be no refunds available for days missed. All bursary applicants will need to be passionate and committed, and have a strong work ethic.

We will also ask bursary participants to be available to give short feedback about their progression through the course.
